Senior Service Day

Hancock High School seniors participated in Senior Service Day on Wednesday, October 30th. Seniors spent the day aiding Lemay Community members and businesses in a variety of ways.

Tasks completed ranged from basic yard work for individuals to cleaning and clearing debris from alleyways, vacant homes and buildings.

Senior Service Day is an annual event in which our students show their appreciation to the neighbors and community in which they live and learn.

In Memoriam: Lorine Noonan

The Hancock Alumni Association, Hancock Place School District and Lemay Community has lost a most wonderful alumna, Lorine Noonan. Lorine was a proud alumna who represented us in the very best ways possible. She was known to donate her money and time to school

programs, scholarships and for other student needs. Lorine was a sweet lady who others would recognize by her friendly smile and kind words. She was a true leader in our association who devoted much of her life to its mission.

We will miss Lorine Noonan but will always remember her for being a positive influence on thousands and thousands of people's lives. We named a scholarship in her name almost 2 years ago to honor her lifelong commitment. All our love to Lorine and prayers for her family in this most sad time.
